

Car Parking Passes

This form to be completed and returned by every exhibitor. If this service is not required, please endorse "not applicable" and return to the address below

Organisers have provided a separate reserved car parking area. The exhibitors having the "Exhibitors' Car Parking" passes only can park their cars in the reserved area on first-come-first-serve basis.

However, in case the reserved area is full, they may park their cars in the general parking area.

The number of "Car Parking" passes will be issued on the basis of their stall area booked as per the table below:

As very limited car parking space is available at the venue, exhibitors are requested to apply for minimum car parking passes by submitting this form. The number of car passes entitled to the exhibitors are proportional to the area booked by them. **Further, exhibitors are requested to pool their cars and also use public transport wherever possible to avoid traffic jams and congestion.**
