## New Energies, Electric Mobility and Digital Energy Pavilion

Attention, Exhibitor !

Get Ready for an Energizing Showcase of Sustainable Energies at ELECRAMA 2025!

Our New Energies, Electric Mobility and Digital Energy Pavilion awaits you at a prime location in Hall 1A, showcasing cutting edge products and solutions from industry sector like EV Charging Ecosystem, Battery & Energy Storage, Fuel cells & Green Hydrogen, Renewable & Energy Mix and Digital Energy.

Exhibitor from this segment can grab this exciting opportunity and make the most of your participation with a dedicated visitor segment.

### Why Exhibit in Focused Pavilion on New Energies, Electric Mobility and Digital Energy

1. **Showcase Products and Expertise to a Targeted Audience:** These pavilions attract relevant targetted audience that's interested in these sectors. Exhibitors get direct access to key decision-makers, potential partners and enthusiastic buyers.
2. **Increased Visibility:** A dedicated pavilion provides a concentrated hub, increasing your company's visibility within a highly relevant context. Visitors specifically seeking products and services related to these fields will immediately gravitate to this area.
3. **Stay Ahead of the Curve:** Energy innovation is happening at lightning speed. These focused pavilions provide a window into new trends, disruptive technologies and the latest advancements within these sectors.
